

Task Force Members,

Attached is our final agenda for the May 15<sup>th</sup> Broadband Task Force meeting at the Thomson Reuters office in Eagan. As a reminder, you may park near the visitor parking in the area marked off with orange cones. When you arrive, please ask for Sue Lauer mann to escort you to the meeting room.

Thomson Reuters  
D4-Special Events Room  
610 Opperman Drive  
Eagan, MN 55123

You will see on the agenda that we have slotted three contentious issues for discussion and for consensus to be achieved. We've attached a compilation of the homework assignments - both the contentious issues and most/least favorite paragraphs in the report. Please review before our meeting.

As a reminder, below is the assignment. If you are one of the few to not complete your assignment, please do so and forward to Anne Losby [anne.losby@thomsonreuters.com](mailto:anne.losby@thomsonreuters.com).

### **Homework Assignments**

1. Identify what you believe are the **top three contentious issues** that the Task Force has before them. For each of the three issues, identify the **key items on each side of the issue**.
2. Review the 48-page report document and identify the **five submissions you agree with most** (besides your own) and identify the **five submissions you disagree with most**. Please cut and paste the specific submissions you are referencing into your assignment document.

As always, please inform Sue [susan.lauer mann@thomsonreuters.com](mailto:susan.lauer mann@thomsonreuters.com) if you are unable to attend the meeting in person but wish to attend via teleconference only. If you are unable to attend the meeting and plan to send a substitute, please let Sue know who will attend on your behalf. Thank you.

Best regards,

Rick
