Please bring your own coffee or beverages for the morning.

Attached you will find meeting guidelines that we agreed to at our September meeting. Also, here is a link to the updated Broadband Task Force Directory: <http://www.ultra-high-speed-mn.org/CM/Custom/TOCMembers.asp>. Thanks everyone for sending in your photos!

I'd also like to flag a potential issue for our November meeting. We may need to move the date to the week of November 17th. Could I ask each of you to look at your calendar and see if *Wednesday (19th), Thursday (20th) or Friday (21st) would work for you?*

Please advise Sue Lauermann as soon as possible. We'll do the best we can to find a date when most of you can make it.

Please let me know if you have any questions, comments or issues.

Looking forward to the next meeting!

Warm regards,

Rick
