

The Minnesota Library Information Network (MnLINK) is a statewide virtual library that electronically links major Minnesota libraries.

- the project is funded in a 1997
- appropriation of \$12 million from the Minnesota State Legislature to the MN Higher Education Services Office (Now the MN Office of Higher Education)
- a standing annual appropriation of about \$400,000
- now operated through MINITEX

MnLINK Gateway

Through the MnLINK Gateway, libraries and community members have access to electronic resources including online catalogs from over 20 Minnesota library systems and the Electronic Library for Minnesota (ELM). ELM includes a wide variety of subscription databases made available through collective, statewide contracts.
