

Our next two Broadband Task Force meetings will be held on Friday, April 24th and Friday, May 15th at the Thomson Reuters office in Eagan. The structure for these two meetings will primarily be report writing working sessions. We will break out into small groups to review and edit the work that has been submitted so far. Remember to get your 5 paragraph writing assignment to Anne Losby anne.losby@thomsonreuters.com by end of day Friday, April 17th. As these will be working sessions, task force members are asked to bring their laptop computers (if you have one). We will have display devices at each table so that small groups can work together most effectively. Please let Sue Lauer mann know if you will be using an Apple computer so that she can arrange for a special adaptor.

Thomson Reuters
610 Opperman Drive
Eagan, MN 55123
Room: D4-Special Events Room

Please mark your calendars with this updated meeting location for both dates. Directions will follow with the agenda as we get closer to the date.

Best regards,

Rick
